REMEMBER!

In looking for the letters which are included in each pack-
 age of Sunshine Butter that the letter is between the out-
 side and the carton, not between the carton and the butter.

We have received numerous complaints from people who
 have been unable to find the letters in their butter, but if
 you exercise care in looking for these we are sure you will
 find them, as we have packed one letter in each package of
 Sunshine Butter since April 13th. Our shipment of spoons
 has now arrived and we suggest that those holding the re-
 quired number of letters (five of any kind) and who desire
 the beautiful spoons, call at our office for them.

CONKLIN IS CAUGHT AND MUST FACE THREE CHARGES

**Mrs. Spicer Swears Out Com-
 plaints for Burglary and As-
 sault Against Man Who Es-
 caped from Street Gang.**

Herbert Conklin, who recently
 escaped from the street gang, was re-
 captured last night at the West hotel.
 This morning Mrs. Evelyn Spicer, pro-
 prietor of the hotel, accompanied by
 the Peace Craig to swear out three
 complaints against the prisoner. One
 warrant charges him with assault
 with a knife on February 25, another
 charges him with breaking and en-
 tering the West hotel March 4 with
 intent to commit assault, and the
 third charges him with assault with a
 knife on that occasion. He will be
 arraigned before Justice Craig for a
 hearing this afternoon.

Conklin was arrested several weeks
 ago for attacking Mrs. Spicer. He
 roomed at the hotel. At the time he
 was said to have been intoxicated.
 For that assault he was fined \$25
 and sentenced to serve thirty days.
 The jail sentence was suspended on
 condition that he leave town.

Not long after he was rearrested
 for drunkenness on the street and
 was put in the street gang to work
 out the suspended sentence. He
 escaped from the street gang next
 day.

Last night Mrs. Spicer notified the
 police that Conklin had again ap-
 peared at the hotel, and he was taken
 into custody. It is alleged that he
 again attempted to strike Mrs. Spicer
 last night.

WILL DEMONSTRATE PULMOTOR TONIGHT

**Public Invited to See Life Re-
 storing Machine Work at
 Offices of Light Company
 This Evening.**

H. H. Sanderson, representing the
 Draeger Pulmotor company of Ger-
 many, will give a demonstration of
 the operation of the famous life re-
 storing machine tonight at the offices
 of the Albuquerque Gas, Electric
 Light and Power company, at
 4 o'clock. The demonstration is for
 the benefit of employees of the Light-
 ing company, but Manager Van
 Dine has extended an invitation to
 physicians and to the public who may
 be interested to witness the working
 of the machine. The light company
 has had the pulmotor here for sev-
 eral months and it has been used by
 Mr. Van Dine on several occasions.
 Mr. Sanderson, however, is an expert
 in its operation and his demon-
 stration will be of exceptional interest.

The pulmotor has been used suc-
 cessfully in many cases of suspended
 animation, following drowning, elec-
 tric shock, asphyxiation, etc., and its
 scientific value as a life saver is now
 fully established.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder
 Irritation or Backache.

The American men and women
 must guard constantly against kidney
 trouble, because we eat too much and
 all our food is rich. Our blood is
 filled with uric acid which the kid-
 neys strive to filter out, they weaken
 from overwork, become sluggish, the
 eliminative tissues clog and the result
 is kidney trouble, bladder weakness
 and a general decline in health.

When your kidneys feel like lump
 of lead; your back hurts or the urine
 is cloudy, full of sediment or you are
 obliged to seek relief two or three
 times during the night; if you suffer
 with sick headache or dizzy, nervous
 spells, acid stomach, or you have
 rheumatism when the weather is bad,
 get from your pharmacist about four
 ounces of Jad Salts; take a table-
 spoonful in a glass of water before
 breakfast for a few days and your
 kidneys will then act fine. This fa-
 mous salts is made from the acid of
 grapes and lemon juice, combined
 with lithia, and has been used for
 generations to flush and stimulate
 clogged kidneys; to neutralize the
 acids in the urine so it no longer is a
 source of irritation, thus ending blad-
 der disorders.

Jad Salts is inexpensive; cannot in-
 jure, makes a delightful effervescent
 lithia-water beverage, and belongs in
 every home, because nobody can
 make a mistake by having a good kid-
 ney flushing any time.

FIREMEN CALLED OUT TO DOUSE BLAZING BOX

Fire broke out in papers in a trash
 box in the alley alongside the W. L.
 Hawking grocery store on South Sec-
 ond street this forenoon, and the box
 was aflame when the blaze was dis-
 covered. A telephone call summoned
 the firemen from the central station
 and a tank of chemical extinguished
 the fire. A carelessly thrown cigar-
 ette or cigar stub is supposed to have
 started it.

Beware of Ointments that Contain Mercury

as mercury will surely destroy the
 sense of smell and completely derange
 the whole system when entering it
 through the mucous surfaces. Such
 articles should never be used except
 on prescription from reputable physi-
 cians, as the damage they will do is
 ten fold to the good you can possibly
 derive from them. Hall's Catarrh
 Cure, manufactured by F. J. Cheney
 & Co., Toledo, O., contains no mer-
 cury, and is taken internally, acting
 directly upon the blood and mucous
 surfaces of the system. In buying
 Hall's Catarrh Cure be sure you get
 the genuine. It is taken internally
 and made in Toledo, Ohio, by F. J.
